SAVE YOUR SWINE.

Cure for Hog Cholera Discovered By Missouri M. D.

After experimenting for three years, Dr. R. E. Graham, recent bacteriologist of Missouri University, has announced that hog cholera can be cured by inoculation, the same as "Texas fever" among cattle. One hundred hogs were recently inoculated with a serum and then exposed to the disease and none was infected. Several hogs that had cholera were cured by inoculation.

The Death Penalty.

A little thing sometimes results in death. Thus a mere scratch, insignificant cuts or puny boils have paid the death penalty. It is wise to have Bucklen's Arnica Salve ever handy. It's the best salve on earth and will prevent fatality, when burns, sores, ulcers and piles, threaten. Only 25c, at Hardwick's drug store.

The Eighteenth Death.

James B. Young, an inmate of the Confederate Home at Pee-wee Valley, died Monday night of consumption. His is the eighteenth death in the institution since it was established. He was born in Montgomery county, in 1835, and served in the Eighteenth Kentucky Cavalry.

Puts An End to It All.

Backache, liver complaint and constipation. But thanks to Dr. King's New Life Pills they put an end to it all. They are gentle, but thorough. Try them. Only 25c. Guaranteed by R. C. Hardwick.

"Drys" Lost.

The local option election, held in Princeton Monday, resulted in favor of the "wets" by a majority of 61.

DR. FENNER'S KIDNEY and Backache CURE

All diseases of Kidneys, Bladder, Urinary Organs. Also Rheumatism, Backache, Heart Disease, Gravel, Dropsy, Female Troubles.

DR. E. P. RUSSELL

Succumbs to His Malady at Evansville Tuesday Night.

A Gallant Soldier, a Distinguished Physician and Popular Gentleman.

After a long and hopeless struggle against the inevitable, Dr. Ephraim P. Russell died Tuesday night at 11 o'clock, in Walker's Sanatorium at Evansville.

Last fall Dr. Russell used a knife to remove a bunion or corn from the little toe of his left foot. It became inflamed and refused to heal and finally became gangrenous and the toe was amputated. The trouble was in a foot rendered more susceptible to blood poisoning by reason of an old wound received in battle. The operation did not bring the desired relief and a month ago Dr. Russell was taken to Evansville for further treatment. The reports from him were at first encouraging, but later the disease began to spread and a week before his death his left leg was taken off above the knee. He stood the shock well, but the poison was in his blood and to make matters worse it developed that he was suffering from Bright's disease. He suffered a relapse and gradually sank to the end.

Dr. Russell was born in Todd county Sept. 21, 1844. When a boy of 17 he entered the Confederate army and fought gallantly until disabled by wounds. His first service was as Second Lieutenant in Breckinridge's escort. Later he served in the Second Kentucky and Eighth Tennessee Regiments. He was wounded at Chickamauga, at London and Bristol. His last wound disabled him and he was taken prisoner. Through the good offices of a Union friend in the surgical corps, he was allowed to study medicine while a prisoner, and after the close of the war he completed his medical education and entered upon the practice of medicine at Elkton.

He married Miss McReynolds, of Elkton, and to them were born two children, Mrs. Ford L. Wilkinson and the late Lieut. Jack Russell, who died two years ago from wounds received in the Philippines. His first wife died fifteen years ago and about nine years ago Dr. Russell removed to Hopkinsville and soon took a prominent place in the medical circles of this city.

About seven years ago he was married to Miss Green Henry, a daughter of Mrs. Kate Henry and a sister of Mayor Jouett Henry.

The tragic death of his only son, saddened the closing years of his well spent life.

Young Jack Russell, when the war of 1898 broke out, tried to enlist but failed to pass the physical examination on account of defective eyesight. But he was determined to join the army and through influential friends obtained a special permit and was sent to the front in the far east. He was soon in the thick of the fiercest fighting and in a sudden attack on the American camp by natives received his death wound. He was shot through the leg, but while lying on the ground continued to fire his gun and aided in repulsing the bolo men. He lingered many long and weary months in a hospital and finally his left leg was amputated and later he died from blood poison. The body of the brave young soldier was brought back to his old home at Elkton and laid beside that of his mother.

Dr. Russell's body was brought home Wednesday afternoon in charge of his son-in-law, Mr. F. L. Wilkinson, who was with him when he died. The burial took place yesterday afternoon at two o'clock, from his late residence on East Ninth street. Brief services were held and the body was followed to its last resting place in Hopewell cemetery by a large number of sorrowing friends.

Dr. Russell during his residence here formed many warm friendships. He was popular in social circles, prominent in his profession and honored and esteemed as a good and useful citizen. He was upright and honorable, kind-hearted and charitable. He was a thorough gentleman, courteous companionable, generous and noble in character.

He was a member of the Christian church and also a member of Ned Merriweather Camp U. C. V., of this city.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

JUDGMENT AFFIRMED

In The Daniel Insurance Case From This County.

The Court of Appeals, by Judge Nunn, whole court sitting, Wednesday affirmed the Christian Circuit Court in the case of the Continental Insurance Company vs. Elijah Daniel, col. The company resisted the payment of a \$250 fire insurance policy on the ground the appellant had not complied with the clause in the policy which requires the claim to be presented within sixty days. This court holds that the allegation was denied and that the company's claim was based on a denial of damage. This court upholds the judgment and holds it a matter for the jury.

CASES CONTINUED.

Matters Will Not be Disposed of at This Term.

The cases of Louis Willis, Mrs. Bessie Willis and Jas. Williams, under indictment in connection with the assassination of Lieut. W. B. Johnston, at Canton last March, were continued at Cadiz this week to the next term of the Trigg circuit court.

DIED OF DROPSY.

Relieved of His Sufferings After Long Illness.

Mr. Jas. P. Hart, of Horace, who had been ill of dropsy for some time, died last week. The interment took place in the family burying ground near Cerulean Springs. The deceased is survived by five children.

FLETCHER-FULLER.

Groom Lives in Caldwell and Bride of Kelly.

Mr. Floyd Fletcher, of Caldwell county, and Miss Eva Fuller, of near Kelly station, were married here Wednesday. Judge Fowler performed the ceremony in the county clerk's office.

When the breath is foul and the appetite disordered, Prickly Ash Bitters is the remedy needed. It purifies the stomach, liver and bowels, sweetens the breath, promotes vigor and cheerfulness. R. C. Hardwick, special agent.

SCHAEFER MURDER

M'Donald Believed To Be Guilty of The Crime.

Grand Jury meets And Will make a Thorough Investigation of the Murder Mystery.

Bedford, Ind., Feb. 16.—The Lawrence county grand jury convened to-day and before its adjournment the Schaefer murder case will have careful investigation. S. B. Lowe, former prosecuting attorney, will aid Prosecutor Miller and his chief deputy, Mr. Stephenson, in presenting the evidence to the grand jury. While the public is slow to accept the theory that James McDonald is the murderer, still it relies very much on the declaration by S. B. Lowe, president of the school board and a leading member of the investigating committee, when he says:

"We have the man who murdered Miss Schaefer. Of this there is no doubt."

Detective Reed supplements by asserting that McDonald's motive was assault and robbery, and he adds:

"McDonald is undoubtedly guilty, and I think will confess, and then the people will see their mistake."

There is no general ill-felling against the accused, and when he is brought back here for trial he will be given a fair and impartial hearing.

McDonald Taken to Bloomington.

Bloomington, Ind., Feb. 16.—At 11 o'clock to-day Bloomington was surprised by the arrival of James McDonald from the Jefferson prison charge of Sheriff Smith, of Bedford, and Detective Reed. As soon as the train stopped the officers hurried off the rear platform of the smoker. The Sheriff had McDonald handcuffed to him, and they were half way to the jail before the people knew he was in town.

At the jail, Sheriff Thrasher and the officers held a conference. After looking over the departments, Reed said he wanted McDonald placed in the women's department. He was taken there and orders given for no one to see or converse with him. Judge Wilson says he will be kept here until the grand jury reports. There is no inclination here to molest McDonald and he is perfectly safe.

ABOUT THE WEED.

Continued Cold Weather Cuts Down Loose Sales.

An account of the continued cold weather tobacco has been in bad order for handling and the loose sales on the floor by R. M. Woolridge & Co. this week were in consequence smaller than those of last week. About all of the weed offered was disposed of, however, and prices were quite satisfactory.

Hogsheads sales for the week were 15, sold privately. Sales for the year, 494 hogsheads. Receipts for the week were five hogsheads.

MOVED TO MANNINGTON.

Mr. Dunning Will Operate Hotel, Etc., at Above Place.

Mr. I. S. Dunning, who recently sold out his business in Crofton, has bought out Mr. Gus McIntosh at Mannington and will take possession at once.

Mr. Dunning will conduct the Mannington hotel and will also handle liquors.

HAPPY AND HEALTHY.

A Beautiful Canadian Girl Saved From Catarrh of the Lungs by Pe-ru-na.

MISS FLORENCE KENAH.

Miss Florence E. Kenah, 434 Maria street, Ottawa, Ont., writes:

"A few months ago I caught a severe cold, which settled on my lungs and remained there so persistently that I became alarmed. I took medicine without benefit, until my digestive organs became upset, and my head and back began to ache severely and frequently. I was advised to try Peruna, and although I had little faith I felt so sick that I was ready to try anything. It brought me blessed relief at once, and I felt that I had the right medicine at last. Within three weeks I was completely restored and have enjoyed perfect health since."

F. E. KENAH.

"I now have the greatest faith in Peruna." WOMEN should beware of contracting catarrh. The cold wind and rain, slush and mud of winter are especially conducive to catarrhal derangements. Few women escape.

Upon the first symptoms of catching cold Peruna should be taken. It fortifies the system against colds and catarrh.

The following letter gives one young woman's experience with Peruna: Miss Rose Gerling is a popular society woman of Crown Point, Ind., and she writes the following:

"Recently I took a long drive in the country, and being too thinly clad I caught a bad cold which settled on my lungs, and which I could not seem to shake off. I had heard a great deal of Peruna, and I had bought a bottle to try. I am pleased that I did, for it brought speedy relief. It only took about two bottles, and I considered this money well spent."

"You have a firm friend in me, and I not only advise its use to my friends, but have purchased several bottles to give to those without the means to buy, and have noticed without exception that it has brought about a speedy cure wherever it has been used."—Miss Rose Gerling.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of the C. I. O. S. S. S., 253 Broadway, New York City.

DR. AMADOR SELECTED.

President of Panama—Inauguration To-Morrow.

Panama, Feb. 16.—Dr. Manuel Amador was unanimously elected first President of the Republic of Panama. Drs. Pablo Arosemena and Domingo Obaldia and Dr. Carlos Mendoza were elected to fill respectively the positions of First, Second and Third "Designados," or Vice Presidents.

Great preparations are being made for the inauguration of the President, which will take place on Feb. 20.

Difference in Time.

The difference in time between here and the scene of war in the far east is about fourteen hours. The following table shows the time at different points in the Orient when it was 12 o'clock, noon, February 18, in Hopkinsville:

2:26:45 a. m., Feb. 19, at Chemulpo.

2:05:06 a. m., Feb. 19, at Port Arthur.

2:47:36 a. m., Feb. 19, at Vladivostok.

2:05:45 a. m., Feb. 19, at Che-Foo.

1:36:40 a. m., Feb. 19, at Hong-Kong.

3:15:00 a. m., Feb. 19, at Tokio.

2:24:56 a. m., Feb. 19, at Seoul.

7:45:00 a. m., Feb. 18, at St. Petersburg.

Judge Givens Appointed.

Judge C. C. Givens of Madisonville, has been appointed vice-President of the Tri-State Fair Association of Evansville, for Kentucky.
